The Board of Lincoln County Commissioners met at 1:00 p.m. on September 15, 2025. Chairman Wayne Ewing, commissioners Robert Safranek and Terry Jaques, county administrator Jacob Piper, and clerk of the Board Corinne M. Lengel attended. Land Use Administrator Ty Stogsdill attended until 1:20 p.m.

Chairman Ewing called the meeting to order, led the Pledge of Allegiance, and said a prayer.

As promised at the previous meeting, County Attorney Kelly Lowery had sent a “clean copy” of the Magellan Pipeline Company, L.P. Road Use Agreement for the commissioners’ signatures. Mr. Stogsdill anticipated the project needing forty to forty-five permits with an approximate cost of \$10,000. Mr. Jaques said the company couldn’t start work until it provided its bond, which neither Mr. Piper nor Mr. Stogsdill had received. Mr. Piper said other companies had worked directly with County Treasurer Ashley Erwin. Mr. Stogsdill offered to check with Mrs. Erwin and email Miss Lowery.

Mr. Jaques moved to sign the Road Use Agreement with Magellan Pipeline Company, L.P. Mr. Safranek seconded the motion, which carried unanimously.

Mr. Piper asked Mr. Stogsdill about the gravel pit the county planned to sell; Mr. Stogsdill said the county closed the Brent Pit in October 2021. However, he wanted to make sure they were discussing the same pit, as he’d heard of another one south of the interstate. Mr. Ewing said it was at County Roads 3R and 42; Mr. Piper needed the legal description. Mr. Jaques informed Mr. Stogsdill that someone was interested in purchasing the pit, so the county would have to follow the sealed bid process. Mr. Stogsdill said he would look through the files.

Mr. Stogsdill left, and Mr. Ewing said that Bob Carson wanted the three commissioners to attend the October 1 EMS Council meeting to discuss starting an Authority that would provide uniform protocol throughout local agencies. Mr. Piper felt it might become a contentious issue and sounded like it might require a lot of county involvement.

The Board discussed the requested addition to the fairgrounds show barn and the possibility of meeting with Greg Etl from DOLA to discuss funding options. The commissioners agreed to go out to the fairgrounds after the meeting.

The Board had already approved additional expenses before the meeting started, and with no other business to discuss, Mr. Ewing adjourned the meeting at 1:45 p.m. The next meeting will be at 9:00 a.m. on September 18, 2025.
