Budget - 2023 Lincoln County, Colorado

The 2023 Lincoln County budget requires a mill levy of 47.50 mills. This is the same mill levy that has been required since 1999. The 47.50 mill levy will produce \$8,445,035 from property taxes, a decrease of \$9,871 from 2022. Since the County was able to defease its 1995 refunding bond issue effective as of December 31, 1998, the sales tax revenue is used for general purposes. By using these funds, the Board of County Commissioners have budgeted for a temporary refund equivalent to 12 mills for the 2022 property taxes that are to be collected in 2023. This amount is \$2,133,483 which results in \$6,311,552 being collected in taxes.

The mill levy by fund is as follows:

- General Fund – 26.50 mills
- Road & Bridge Fund – 12.50 mills
- Human Services Fund – 2.00 mills
- Library Fund - 0.25 mill
- Capital Projects Fund – 2.00 mills
- Landfill Fund – 1.00 mill
- Public Health Agency Fund – 0.25 mill
- Hospital Fund – 3.00 mills

The Conservation Trust, E911, Karval Water Users Activity Enterprise, and Lodging Tax Funds have budgeted expenditures, but do not require mill levies for 2023.

The mill levy allocations did not change from the adopted 2022 budget. The 26.50 mills allocated to the General Fund include 4 mills that are obligated by a previous vote of the citizens of Lincoln County to the Lincoln Community Hospital. The temporarily refunded 12 mills are also included in the General Fund's 26.50 mill allocation. This results in 10.50 mills being applied to the General Fund. The Lincoln Community Hospital Fund is then allocated an additional 3.00 mills, to result in 7.00 mills in total (Including the 4 mills that are reflected in the General Fund Budget).

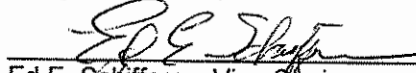

The expenditures budgeted in 2023 are necessary to maintain the programs at relatively the same level as in the prior year. Cost-of-living increases, as well as salary step increases as allowed by the county's pay schedules, were granted for 2023. A new pay scale will be implemented for the Sheriff's Office in 2023 to help better categorize Sheriff Office employees, as well as to increase salaries in the Sheriff's Office. The County received approximately \$875 thousand in American Rescue Plan Funds in 2021 and 2022 that were utilized as revenue replacement. Categorizing the American Rescue Plan Funds as revenue replacement allowed the County to split the funds evenly between the General Fund and the Road and Bridge Fund and gave the County more flexibility to spend the funds. The Landfill Budget received a new line item for expansion characterization in the amount of \$30 thousand for state mandated water monitoring testing wells, as the County will be starting the process of expanding the Landfill as the current cell that is being used nears its maximum capacity. The Rural Economic Development Initiative Grant budget has been expanded to include the World's Wonder View Tower located in Genoa to receive grant funding from the Department of Local Affairs. The Capital Projects Fund remains funded at 2.00 mills, with funding included for repairs and replacement of the courthouse parking lot; Lexipol policy implementation for the Sheriff's Office; a voter service and polling center; fairgrounds improvements; new carpeting for the courthouse; Roundhouse restoration; and unspecified capital projects, which are annually budgeted. Three Sheriff patrol vehicles were originally budgeted for 2023, although unforeseen circumstances lead to the vehicles being purchased early and will come out of the 2022 budget.

Lincoln Community Hospital, which is a county hospital, is a separate entity, but the budget for it is included in the county's budget. The Karval Water User Activity Enterprise is a separate entity, but the budget for it is included in the county's budget.

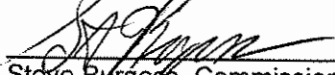

The budget complies with the intent of Amendment #1. The budget was prepared on a modified accrual basis. Respectfully submitted by the Lincoln County Commissioners:

Douglas D. Stone, Chairman

Ed E. Schifferne, Vice Chairman

Steve Burgess, Commissioner

Budget prepared by Jacob Piper
County Administrator

2023 Budget Message

The Lincoln County Public Trustee is dedicated to protecting the rights of borrowers, lenders, and lienholders. The Office was created in response to abuses of Coloradoan's property rights during the Panic of 1893, and continues in this mission to this day.

Colorado is unique in the United States in having an accessible public official assigned by law to protect borrower's right during the foreclosure process. Lenders are able to hire attorneys to assure that their right to foreclose is respected. In other states, a lender would either need to work through the courts at great expense, or try to work with a Private Trustee hired by the lender. Since I am a public official, the banks cannot replace me with someone who would be less zealous at making them follow the law.

The primary duties of this Office are activated when a borrower signs a Deed of Trust associated with a promise to repay a debt. In the Deed of Trust, the borrower grants the lender a lien on his or her property as security against the money being borrowed or owed. The borrower also grants certain powers to the Public Trustee of the County in which the property is located.

When the loan is repaid or forgiven, the lender asks the Public Trustee to release the lien. We ensure that the lender has properly documented this request, so the lien is effectively cleared from the owner's title and so no other party can claim to be owed money. If the request is properly made, we forward the documentation to the County Clerk so the release becomes part of the public record. The \$15 fee for releasing a Deed of Trust is set by the State Legislature, (C.R.S. 38-37-104-(1)(a)).

If the loan falls into default, the lender may exercise its right to demand that the Public Trustee foreclose on the secured property. I review the filing for completeness and compliance with the state law. I mail notices of the sale and their rights to the borrowers, property owners, lienholders, and other interested parties, and also notify the general public of the sale. I ensure that lenders respect the borrower's right to cure their default before sale. After the public auction, we manage the rights of junior lienholders to redeem their interest in sale. The fee for executing a foreclosure is set by the State Legislature, (C.R.S. 38-37-104 (1)(b)). The fee for a foreclosure with the total debt under \$480,000.00 is \$150.00. The fee for a foreclosure over \$480,000.00 is 1/32 of 1% of that amount. The fees for executing other duties, such as withdrawals, cures, etc. are outlined in the statutes.

My salary is also set by the State Legislature (C.R.S. 38-37-104 (2)(b.3)(II)). Salaries are based on county population. Lincoln County is a Third Class County; therefore my salary is \$12,500.00. The salaries for a Public Trustee are paid from the fees collected.

If you have any questions or comments about this budget, please attend the public hearing on December 8, 2022, in the Lincoln County Commissioners Office, Courthouse, 103 3rd Ave., Hugo, CO 80821.at 10:30 A.M..
